

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2023 to 2024 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

Westfield School is committed to inclusion and to removing any potential barriers (physical or otherwise) to learning and participation. We provide a broad and balanced curriculum for all pupils and respond to pupils' diverse learning needs. We believe in equality of opportunity and we aim to create a supportive yet challenging environment that values difference and recognises the achievements of all children. Our pupil premium strategy plan will work towards giving children educational support to accelerate learning as well as support their emotional well-being and mental health. We also aim to provide wider experiences and opportunities such as workshops and clubs that they otherwise might not have access to.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Ensuring staff use evidence-based teaching interventions and staff training e.g. NELI, RWI, Zones of Regulation, Kagan Principles effectively
2	Improving attendance and readiness to learn for PP
3	Lack of support available with education at home
4	Lack of experiences and wider opportunities to support children's well-being and emotional development
5	New staff to be trained to ensure they are confident and knowledgeable in fast feedback, assessment and providing appropriate support/intervention
6	Writing has been identified as a target across the school to improve attainment and progression.
7	Most PP children begin with low starting points and have limited life-experience – they need extra exposure to vocabulary in order to access curriculum to the maximum benefit

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading, Writing and Maths	Achieve national average progress scores in KS2 (0) Internal progress scores to be 0 or above (compared to last KS score) and above 6 on ScholarPack (in Summer) Autumn 2023 – PP progress measures:
