

Kings and Queens

What have we already learnt?

In reception, through stories and videos children learn about different climates and weather. During Spring Term they have learnt comparisons between hot and cold places. Children start to make observational drawings of what they can see on the playground.

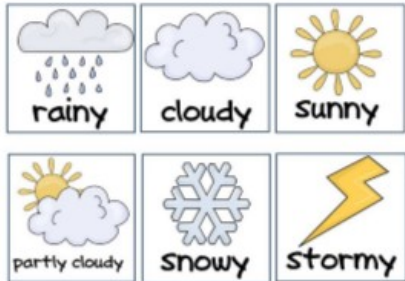

In some places around the world, the weather can be extreme and this can be dangerous.

The weather in the United Kingdom can change from day to day.

The four seasons have particular weather patterns.

In a weather forecast, symbols are used to show what the weather will be like in a particular area.

Vocabulary	Definition
Factory	Goods are made by machinery.
Season	Winter, Spring, Summer, Autumn
Weather	The temperature or conditions outside. For example if it is wet, hot or windy.
City	It is larger than a town. A city is a place where many people live closely together.
Town	A town is a place where people live and work. It is bigger than a village but smaller than a city.
Village	A village is smaller than a town. It is usually found in a rural setting.

Woking Town

Village- a small settlement.
 Town- a mid-sized settlement
 City- a large settlement
