

Cracking Contraptions

We are learning about where we live and the physical and human features in our local area.

Your School is Westfield Primary School.

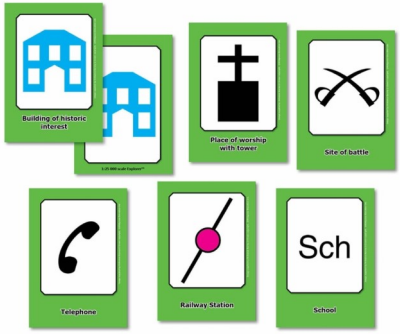

Map showing the position of Woking within the United Kingdom

Woking is in the United Kingdom. Woking is a town in South East England. You live in Woking and you go to school in Woking.

What have we already learnt?
 In the EYFS children are encouraged to talk about their local area and where they live.
 Children have learnt the language N E S W and used this to give simple directions.

Maps use symbols instead of words so you can find things quickly.
 There are different types of maps including world maps, country maps, town maps,

Feature can be man-made (human) or physical.
 Human features in the local area are: offices, shops, cafes, schools, railway stations and swimming pools.
 Physical features include: mountains, hills, rivers, lakes, volcanoes.

Vocabulary	Definition
