

# Settlements

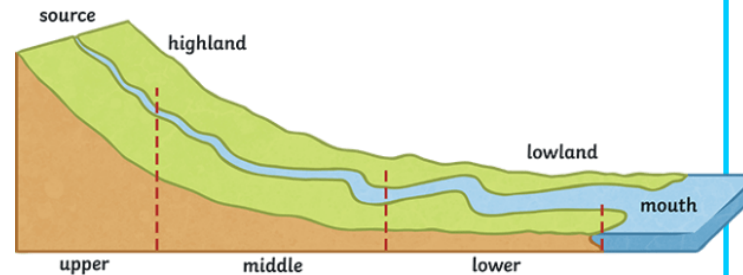

## Skills

- Know why most cities are located by a river
- Touch on settlement and land use
- Why would you live near a river?
- Know and label the main features of a river
- Know the name of and locate a number of the world's longest rivers

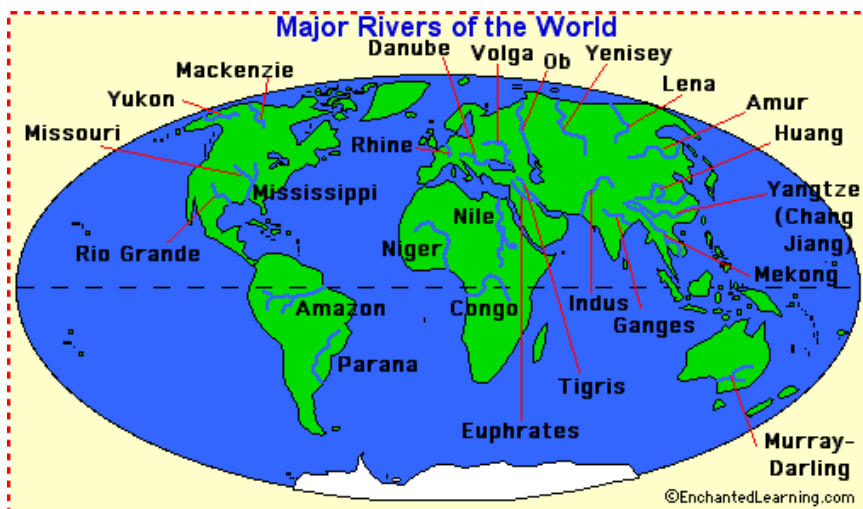

## What have we already learnt?

Children have learnt about many different human and physical features in the world.

This will help them to now locate and discuss the pros and cons of living near a physical feature (river).

Would you like to live next to a river? What are the benefits?

Vocabulary	Definition
Land use	when an area is used for a specific purpose to meet the wants and needs of people
River	a flowing stream of water that leads to the sea, a lake or another river
Benefits	something that produces good or helpful results
Settlement	places where people live and sometimes work
