22<sup>nd</sup> March 2017

Dear Parents/ Carers,

We are delighted to share with you some of the positive findings in our recent OFSTED inspection, which was received today.

***The OFSTED report celebrated that the school remained “Good”:***

**“The leadership team has maintained the good quality of education in the school since the last inspection.**

**The school’s caring and welcoming atmosphere ..... permeates all aspects of school life and underpins pupils’ effective personal, social and emotional development.**

**The strong partnership with parents and carers means that they are supportive of the school, noting that all staff ‘strive for the best, [with] nobody resting on their laurels’.**

**...safeguarding arrangements are robust.**

**The high-quality work of your home–school link worker also contributes greatly to safeguarding pupils.**

**Parents and pupils agree and report that school is a safe and happy place which supports its local community.**

**You have correctly focused on improving the attendance of pupils ...”**

Next steps for the school Leaders and those responsible for governance are:

- ✓ increase the effectiveness of assessment checks
- ✓ leaders support governors in improving their understanding of information relating to pupils’ outcomes
- ✓ teachers consistently use assessment information in mathematics to match work to pupils’ different starting points

We would like to thank parents who participated in the inspection by returning their questionnaires; and both congratulate and thank all the parent & school volunteers, staff and governors for their continued hard work in ensuring that each child at Westfield Primary School enjoys school and makes progress both in their academic and social skills.

Please find a copy of the full report attached and it is also available on our website.

Yours sincerely,
