

WILD GARDEN UPDATE - SPRING 2025  
 WE'VE BEEN BUSY IN THE WILD GARDEN OVER THE TERM,  
 WEEDING AND PLANTING IN PREPARATION FOR SUMMER.  
 WE'VE ADDED NEW HERBS TO THE HERB BED, AND PLANTED  
 LOTS OF FLOWERS IN OUR NEW POLLINATOR BED. THIS TERM  
 WE'LL BE PLANTING VEGETABLES IN THE VEG BED.

OUR TEAM OF VOLUNTEERS HAS ALSO WORKED HARD REMOVING AN OLD  
 RAISED BED AND REPLACING IT WITH GRAVEL TO CREATE A NEW PLACE TO  
 SIT IN THE SUN, AND SPREADING WOODCHIP THROUGHOUT THE COVERED  
 SEATING AREA. THANK YOU TO EVERYONE WHO HAS HELPED -  
 IT'S LOOKING GREAT!
