Y6 Bikeability training during November 2026

Dear Parents and Carers,

As part of our Year 6 enrichment programme, we are pleased to offer all pupils the opportunity to take part in cycle training tailored to their ability to be provided by the Surrey County Council Bikeability team in school. All training will be provided **free of charge** and pool bikes and helmets will be available to borrow for children who do not have access to their own bikes and helmets.

Between 2nd and 4th November 2026, all Year 6 children will attend one of the Bikeability "Try-it-out" days in school. During this short session, children will receive basic cycling tuition appropriate for their cycling skills and have a ride on one of Active Surrey's pool bikes. If you **do not** want your child to participate in this activity, please email: activities@westfield.surrey.sch.uk by **Friday 16th October 2026**.

Following the Try-it-out day, children will be invited to either:

- Learn to Ride training - for those still developing their cycling skills - which will take place on **5th and 6th November 2026**. Cycling instructors will try to help your child get to a standard where they will be able to join future Bikeability Level 2 training, if they want to; or
- The Bikeability Level 2 course - for those ready to cycle on local roads with moderate traffic which will be taking place in the **weeks commencing 16th and 23rd November 2026**.
- https://surreycycletraining.online/public/school_training/112737/.
- Bikeability Level 2 equips children with the skills and confidence to ride independently and safely, focusing on four core areas: observation, communication, positioning, and priorities. This training is delivered by qualified instructors in a risk-assessed area near the school.

If your child can ride a bike and has their own bike for the Bikeability Level 2 training, please feel free to book a place on the Bikeability Level 2 course now using this link:

https://surreycycletraining.online/public/school_training/112737/.

Following registration you should receive a confirmation email from the cycle training team. Please note that **enrolment closes at 09:10am 17th October 2026**. Your child will be allocated to one of the courses by school, after which you will receive a further email confirming the dates and times of the course.

We look forward to supporting all Year 6 children in developing their cycling skills this term.

Kind regards

The Year 6 Team
