

Places to visit:

- A local bus stop or train station (with an adult)
- A local park to spot bikes and scooters
- The library to find transport books
- Watch vehicles safely from the pavement
- Visit a transport museum if you can

Outdoor Ideas

- Go on a vehicle spotting walk. What can you see?
- Count the cars, buses or bikes you pass.
- Look for wheels. Which vehicles have two, four or more?
- Listen carefully. Which vehicles are quiet or noisy?
- Draw a simple map of a journey you know.

Reception Family Learning Ideas

Zoom Zoom! Vehicles

Things to make or do

- Make a junk-model vehicle from boxes and bottle tops.
- Draw your favourite vehicle and label its parts.
- Build a road or railway using blocks, tape or chalk.
- Make pretend tickets for a bus or train journey.
- Count toy cars and sort them by colour or size.
- Sing a transport song or make vehicle sounds.
- Talk about how to stay safe near roads: stop, look and listen with an adult.

Research Ideas and Books to share

- Read "The Hundred Decker Bus", "Emergency! Emergency!" or "The Way Back Home".
- Visit the library and choose another book about vehicles.
- Find out who drives a bus, train or aeroplane.
- Talk together: How has transport changed since grandparents were little?
- Can you spot an emergency vehicle? What might it be helping with?
