

**WESTFIELD PRIMARY SCHOOL**  
*SURREY COUNTY COUNCIL*

### Exciting Update

Over the half term holidays we have received the news that Surrey CC are intending to continue our development and have obtained planning permission for a modern classroom block.

This will be situated at the far side of the playground creating a courtyard school. The play equipment will be removed and replaced with brand new equipment!

The new block will comprise of three classrooms and toilet facilities and will be ready during the Spring Term. These classrooms will be equipped with state of the art IT equipment. As part of the preparation for these works the pedestrian access from the car park needs to be moved as the main gate will be inaccessible except for works traffic. **The new pedestrian gate** will be situated opposite Bumblebees classroom (near the play stage). There will be a marked, boxed area on the floor around the gate. Please do not park in this area.

A new water pipe will be laid along the walkway into school, through the edges of the Wild Garden and across the playground to the new build. All of these works will be made safe prior to school recommencing after half term. During these works it is even more vital that all children are closely supervised by their parents/carers when dropping off and picking up.

Please bear with us during these exciting developments.

Thank you.
