

Dear All at Westfield School

We just want to say a massive **THANK YOU** for your kind donations to the South Woking Community Food Bank.

We were amazed at how much food you managed to collect and wanted to say again how much it means to the families who are struggling in our community.

The Food bank has been going through a very busy time lately, actually just before half term, we helped nine families in one week, so all the food you have given will definitely be put to good use.

Last year we found we got even busier during the run up to Christmas, so the food you donated has come at the perfect time.

We really appreciate the support you give us, everything you give makes the lives of people in our community so much better and it's great to be able stand together to help each other out.

Thanks again to the pupils, parents, teachers and staff at Westfield School, you are all amazing.

Kind regards

Hazel & the team at South Woking Community Food Bank.
