

End of Key Stage 1 Teacher Assessments

The data below is data from 2019 (2020 SATs were cancelled by the Government Department for Health and Education due to Covid 19)

Percentage of pupils reaching Expected Standards and above.

Schools only report Teacher Assessment results. Tests are still used to underpin Teacher Assessments together with examples of children's work. There were 87 children at the time of the testing period. Each child accounts for 1.1%.

Key Stage 1 2019 validated Data		National data 2019
Subject	Expected Standards and above	Expected Standards and above
Reading	67%	75%
Writing	59%	69%
Maths	70%	76%
Combined	55%	65%
