CLASS NEWS

Summer term – 2021

Welcome to the Summer Term, let's hope the weather is reflective of the time of year!

This half term's topic is **Going Wild!** We will be looking at a range of stories featuring jungle, rainforest and safari animals and exploring their habitats. For more information please read the topic web and family learning sheet that have come home with your child.

Children are encouraged to bring in a **water bottle every day** which they can have access to throughout the day, this is particularly important as the weather gets warmer. Staying hydrated enables the children to get the most from their learning environment. Please also remember sun hats and apply sun cream before school.

We always try to keep you updated with what is happening in Bumblebees and Butterflies classes but please do not hesitate to email us if there is anything you would like to discuss.

Many thanks,

Mrs Thomas, Miss Wallis, Mrs Maslin, Mrs Smith and Mrs Thishanthan

Reading at home

Reading books are changed regularly at school every Friday. However, please ensure your child has their reading book and reading record book in school every Thursday so one of us can hear them read.

Please help your child to make progress with their reading by hearing them read every day at home. Please help us by signing their reading record book when they have read a book, at least once. Thank you.

PE

Every week both classes have PE slots on a Monday and Thursday. Please can you make sure that your child comes to school on these days wearing their school PE kit (burgundy tee shirt, navy shorts and a navy tracksuit if the weather is cold) and that all their belongings are clearly named. Your child's hair should be tied back and earrings removed before they come to school that day. Thank you.
