Research Ideas - scan me with your phone/tablet camera!

Kings and Queens

Things to make or do

- Make the Queen's crown, orb or sceptre out of junk modelling equipment
- Create the crown jewels by painting different pasta shapes.
- Draw a portrait of the Queen - you could use pencil to create a line drawing or use crayons/pencils/pens to fill in colour
- Design a palace for a King or Queen - make a model of it
- Design a stamp for yourself as a King or Queen
- Re-enact a dubbing ceremony with your family, friends or toys
- Make a card for the Queen's birthday (21st April)
- Find out what the Royal family like to eat and prepare your own banquet!
- Research famous British Kings and Queens of your choice - for example: Queen Elizabeth I, King James I, Queen Victoria, Queen Elizabeth II
- Find out about other Kings and Queens around the world and throughout history
- Access some Horrible Histories books to find out about the different time periods that some Kings and Queens lived in
- Use the internet/books to research a King or Queen or Woking Palace
- Make a book with facts about your favourite King or Queen
- Use a children's encyclopaedia to help you with your research!
