Our **Mission** at Westfield is:

We believe in the importance of children engaging, enriching and excelling at school. This allows them to make the very best progress they can in their learning, both academic learning and in learning about themselves, their relationships, making a positive difference in their community and the world in which they live. **We are committed to equality and valuing diversity and actively support practices that promote genuine equality of opportunities for all.**

RATIONALE

Westfield School is committed to inclusion and to removing any potential barriers (physical or otherwise) to learning and participation. We provide a broad and balanced curriculum for all pupils and respond to pupils' diverse learning needs. We believe in equality of opportunity and we aim to create a supportive yet challenging environment that values difference and recognises the achievements of all children. Reading is at the heart of our curriculum.

INTENT

- To close the gap between Pupil Premium children and the national average.
- To effectively manage the value for money of the Pupil Premium funding.
- To promote individual confidence and positive attitude.
- To ensure all children have opportunities to meet personal standards of excellence.
- To ensure every child has access to a broad and balanced curriculum, differentiated as appropriate to meet individual needs.
- To ensure all children are given equality of opportunity to participate fully in school activities.
- To remove barriers to learning and achievement.
- To effectively assess and monitor needs of all children.
- To develop close and effective partnership between parents, school and outside agencies.
- To ensure children's views are valued and listened to.

CONTEXT OF SCHOOL:

Westfield Primary is a 2-form entry primary school, with additional bulge years in Years 5 and 6 (these year groups have 3 forms of entry 2021/2022). We are situated on a large site giving us spacious grounds within which the children can learn and play. A privately-run breakfast and after school club is onsite providing extended hours

care for those who need it. There is also a privately-run nursery that let rooms within the main school building and an additional nursery in the adjacent Adult Education site.

At Westfield we have high aspirations, ambitions and expectations for all our pupils and we believe that no child should be left behind. Our Pupil Premium strategy is rooted in our whole school PRIDE ethos and *reading* is at the heart of our curriculum. We promote a dynamic learning environment in which children are supported, respected, encouraged and motivated as individuals. Every child is valued and their achievements celebrated; as a result, a sense of pride is a central feature of our learning community.

We strive for every child to reach their full potential and we are determined to create a climate that does not limit a child's potential in any way. Pupils at Westfield enjoy a *love of learning and a love of life* through the delivery of our engaging curriculum. This vision is underpinned by our five core values PRIDE (positivity, respect, independence, diversity, excellence). It is also supported by our 5R learning behaviours (resilience, risk-taking, resourcefulness, relationships and reflectiveness).

2017 – 2018	£175,560
2016 - 2017	£147,840

The DfE has given schools the freedom to use the Pupil Premium funding as the individual schools see fit, based upon their knowledge of pupil needs.

'It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.'

However, we are accountable for the use of this additional funding and a termly report is produced outlining the impact of our use of funding for PP children. This is published on the website.

THE PUPIL PREMIUM:

The Pupil Premium is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers.

The Pupil Premium also provides funding for children who have been looked after continuously for more than six months and the children of service personnel.

DECISIONS REGARDING THE USE OF THE PUPIL PREMIUM:

In making decisions on the use of the Pupil Premium we will:

- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage take-up of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take-up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.

- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium funding, both by the school and governing body.
- Recognise the fact that PP children are not a homogeneous group but cover a wide range of needs and abilities. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use Quality-First Teaching as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking statutory, national assessments
- Use our termly pupil progress meetings to identify needs and put in place additional interventions as required.
- Consider Quality-First Teaching, targetted support and wider strategies e.g. behaviour and attendance.
- Reflect on other, non-eligible children who will also benefit (EEF Pupil Premium Guidance; Pupil Premium Policy Paper 2020)

During the national lockdowns, we continued to support our PP children.

GOVERNING BODY:

Our Governing Body and EEEA trust have important role in ensuring our school complies with legislation and that this policy, along with its specific stated actions for narrowing the gaps is implemented. This is via updated reports and are minuted in our LAC meetings. Our Governing Body will, at least termly, keep our work in closing the gaps under review so that they can monitor the use of the Pupil Premium. In monitoring and evaluating the work of the school in relation to the Pupil Premium, the governing body will take into account a range of information, including quantitative (data on progress and attainment) and qualitative (case studies, views, surveys etc.) data as evidence of impact. The senior leadership team will also check to see that it is providing value for money.

The COO from the EEEA will have oversight of the financial use of the Pupil Premium, reporting to the Trust Board on a termly basis to track the allocation and use of Pupil Premium funding.

The EEEA Excellence Board, led by the CEO, look at impact through Quality Assurance activities such as peer and data reviews.

MONITORING AND REVIEWING THE POLICY:

- Our work in relation to the Pupil Premium will be reviewed on a termly basis to ensure it is having the intended impact in closing the gaps. This will allow us to adjust if particular strategies are not working well, rather than leaving things to the end of the year.
- Our Pupil Premium Policy will be reviewed on an annual basis and adjustments will be made to it according to the impact the school is having in narrowing the gaps and national up dates.
