

More school starters from the class of 2022

PRIMARY school pupils across the News & Mail's patch have been settling into new routines since the start of term, with a new intake enjoying the first steps of their school adventures.

We're featuring pictures of the new classmates as they settle into life as part of their Reception year groups.

Welcome to the Class of 2022!

WESTFIELD – The Bumblebees, above, and Butterflies, below, at Westfield Primary School in Woking
