

WESTFIELD PRIMARY

Spelling Policy

Updated February 2024
To be reviewed February 2026

This Policy was written by Jo Phillips

We want all Westfield children to foster a 'Love of Learning and a Love of Life', enabling them to excel, be the best they can and achieve the necessary life skills for their future.

Introduction

At Westfield Primary School, we encourage our children to think and write creatively, be adventurous with their use of language and to write with clear purpose and for pleasure. In order for these aims to be realised, it is essential that our children learn to spell accurately. Children who can spell feel confident and are able to write with enjoyment. We want our children to be equipped with a range of strategies for learning spelling and to be able to apply their strategies when spelling words in their independent writing.

Aims

- To teach spelling systematically throughout the school;
- To teach Phonological Awareness, Word Recognition, Graphic Knowledge and Spelling Knowledge through the use of 'Read Write Inc' scheme of work;
- To encourage children to develop and learn a personal bank of frequently used words, as indicated in the English National Curriculum;
- To equip children with the strategies to tackle unknown words independently and sensibly, thus avoiding dependence upon the teacher;
- To make children aware of the writing process so that they can write fluently, confidently and independently, concentrating on spelling when and where it is appropriate.

Developing Spelling

In order to be an efficient speller, a child needs to:

- Be able to segment words into component phonemes;
- Know which graphemes represent the phonemes in words;
- Be able to distinguish visually between words which are 'legitimately' spelled, e.g. wait, wate;
- Know the meanings of the homophones, e.g. been and bean, so that the correct spelling is used;
- Recall, e.g. by mental image, memorising the order of tricky letters and 'tricky' words;
- Know spelling conventions, e.g., relating to double letters;
- Look for similarities in the spellings of words which are etymologically related, eg, sign, signal.

Weekly spelling lessons

- Four lessons of spelling will be taught weekly at Westfield from Years 2 - 6 with a spelling test on day 5. Year N, R and 1 will deliver RWI phonics lessons daily.
- Weekly spelling lessons will follow the RWI spelling scheme. Rules and/or patterns will be explicitly taught in lesson 1 of the week and opportunities to follow up and practise the patterns taught through dots and dashes, Word changers, choose the right word, Four in a row, dictation as well as teachers own planned activities will form the basis of the additional three lessons. The use of other resources will be used to aid consolidation of taught spelling patterns. (See appendix 1 for year group overviews and appendix 2 for curriculum overview)
- Lessons are recorded in RWI work books and spelling records. Children may use the back of their English or handwriting book to practise spellings.
- Spelling lessons are timetabled explicitly as 'Spelling' and lasts between 15-20 minutes/
- Where appropriate, all children will learn new patterns for their year group, including those receiving other interventions for spelling/phonics. Those children working below their year group will receive extra support through smaller group work and interventions.
- Pupils will take home 10 spellings per week to practise. These include 6 spellings from the spelling pattern that week as well as 4 of the year group statutory spellings.

Diminishing the Difference in Spelling

Where pupils are identified to have gaps in being able to spell the statutory spellings/common exception words from previous year groups, the following is expected:

- The pupil is tested on all statutory/common exception spelling words from previous year groups, e.g. a year 4 pupil will be tested on the Year 4, 3 and 2 words.
- The incorrect spellings are identified as 'tricky spellings' and highlighted on the spelling test grid. A copy is then stuck into the child's book so that they may practise the identified spellings using strategies taught.
- Once half termly, the children are tested on statutory spellings including the spellings spelt incorrectly previously. A new copy each half term is sent home so that families are able to see the gaps in spelling for their child.

Pupils identified to have gaps in specific spelling patterns are taught the year group below spellings using the RWI spelling programme as part of extra intervention.

Assessment:

Assessment is built into the activities for every unit. Speed spell tests children's knowledge of words from previous units; Team teach and Four-in-a-row help children assess their own progress; Jumping red/orange words tests children's knowledge of red and orange words (words from the

word lists in the National Curriculum in England). These are fun and motivating partner activities and team games.

Six Practice Test papers are used (tested every 2-3 units from Y3 upwards), to assess children's ongoing progress. The tests assess knowledge taught in recent units, and check children's knowledge of words from previous units or years. After this assessment, teachers use common spelling errors to inform their planning for their consolidation week

RWI assessment tests are as follows:

Pupils will have 'tricky spellings' assessed half termly by a teacher. This will be done by using the tracking documents and ticking all the words that a pupil can spell from the statutory list. Any words which the child cannot yet spell should be indicated by using a dot in the box next to the word. These will form the selection of spellings which the pupil's 'tricky spellings' will come from for the next half term. A complete copy of the list should be copied and placed into the child's Spelling book so that families can see and support pupils in practising spellings at home - this will also serve to stretch pupils whose families wish to challenge them further by practising spellings beyond their own year group.

Sending spellings home

Every week, Spelling tasks will be sent home in their spelling book, via SeeSaw or on paper.

Children will practice spellings set to them by their class teacher and linked to the spellings learnt previously.

The requirements of spellings going home is as follows:

- Tricky spellings will be written in the children's book to ensure they are aware of the spellings they need to focus on (once a half term)
- 6 spellings will be taken from the year group spelling words and 4 spellings will be taken from the 'spelling pattern' words, which form the current class spelling focus (as above). These will be stuck in their books.
- Children who are not yet able to access their year group spellings should receive a selection of words appropriate to their phonics interventions, e.g. if learning the 'ow' sound, spellings containing these sounds should go home.
- Spellings must be practiced every night in KS2 and at least 3 times a week in KS1.
- Children will have their 'tricky spellings' tested each half term as part of their assessment.
- The whole class will have a spelling test at the end of each week to assess the progress of pupils towards successfully spelling their 'spelling pattern' words. This will be used by the class teacher to identify additional teaching requirements.
